Dom Pérignon

In 1668, Dom Pierre Pérignon, a Benedictine monk, was appointed procurator at the Abbey of Hautvillers. At a time when everything was guided by empirical methods, Dom Pierre Pérignon developed revolutionary techniques for viticulture and wine making based on precise rules. Dom Pérignonis vintage only. This is an absolute commitment to bear witness to the year, to express all the nuances of the terroirs and seasons while respecting the Dom Pérignon signature. Dom Pérignon's uniqueness lies in the way it evolves in successive leaps. In the privacy of the cellars, the wine goes through subtle metamorphosis and reaches three windows of expression. These privileged moments are called "Plénitudes" - moments where the wine sings higher and stronger.

BY THE BOTTLE

Dom Pérignon Vintage embodies the vision of Dom Pérignon, an invitation to enter the world of Dom Pérignon. The wine is complete, seamless, tactile. It takes no fewer than 8 years of patient elaboration to reach its aesthetic ideal.

Dom Pérignon Plénitude 2 is the second life of Dom Pérignon expansion. Thanks to an extended maturation on the lees, in the darkness of the cellar, its inner activity has increased. After close to 15 years, expansion of energy is at its peak and Dom Pérignon rises to an apex of essential, radiant vitality in its state of plénitude.

Dom Pérignon Plénitude 2 2002	1200
Dom Pérignon Plénitude 2 2002 (150cl)	3150

The third Plénitude glorifies and reveals the Spirit of Dom Pérignon. After a minimum of 25 years of maturation on the lees, the wine has reached its highest peak of complexity. Its structure has grown gradually and became more streamlined even as it became richer. The wine assimilated all the elements in its composition.
